

POSITION AVAILABLE

DEPARTMENT: Yadkin Department of Social Services

POSITION: Social Worker II

PAY GRADE AND SALARY RANGE: 67 \$33,960-\$50,940

RESPONSIBILITIES:

The primary duties of this position will be case management. Case management includes assessing, care planning, referral/linkage and monitoring/follow up. The job duties relate to the diagnostic assessment of adults who are nursing home level of care with acute to severe medical conditions and/or mental disorders who want to remain at home. The Social Worker will evaluate the strengths and weaknesses of the client to determine if the disabled adult is able to safely remain at home with informal and formal supports. The Social Worker works within a budget and authorizes additional services according to needs of the client. The Social Worker monitors the continuing needs of the client as well as services provided to the client. Social Worker completes an assessment at least yearly and as needed for other status changes. Plan of care changes are completed as the services to meet the client's needs change.

This position will also help with the adult service unit as requested and will cover intake at least once a week for the adult service unit. This position will be on-call for the adult service unit and will carry a beeper for at least one week per month.

REQUIREMENTS:

Valid NC Driver's License

EDUCATION AND EXPERIENCE:

Bachelor of Social Work or 4-year degree in a human services field plus one year directly related experience or
4-year college or university degree plus two years of directly related experience
Prefer experience with disabled adults in a home setting
